SECTION V: AUTHORIZATIONS

The undersigned employer and/or authorized representative hereby request that it be approved for insurance coverage through Fort Dearborn Life Insurance Company (FDL). The employer agrees to payment of the required premiums if approved for coverage. The undersigned understands, represents to the best of his knowledge, believes and certifies to:

1. Comply with all terms and provisions of the Group Contract(s) issued, and trust agreements, if applicable, and also accepts enrollment under the FDL trust policy(ies), if applicable;
2. Make the insurance coverage available to all eligible employees and their eligible dependents and to distribute information and documents to enrolled employees as needed;
3. Maintain records and furnish FDL or their designated agent(s), any information required in connection with administration of the insurance coverage;
4. Provide notice of applicable conversion rights to eligible employees and eligible dependents;
5. Pay FDL by the premium due date, the premiums on behalf of each employee covered under the contract, to submit applications of employees prior to their date of eligibility, to keep all necessary records regarding membership;

Further the undersigned agrees that:

6. Claims filed by or on behalf of employees may, at FDL's option, be suspended if premiums are not received timely;
7. The premium deposit does not create temporary or interim insurance coverage and that receipt and deposit of that payment does not guarantee issuance of insurance coverage. Rather, issuance of insurance coverage is expressly conditioned on FDL's determination that the group is an acceptable risk based on their current underwriting practices and procedures. Unless these conditions are met, there shall be no liability on the part of FDL except to refund the payment. The employer will be responsible for returning to individual employees any part of the payment contributed by those employees;
8. In order for FDL to accept or decline this application, all the information requested on this application must be completed. In the event the application is not complete, FDL, or its designated agent(s), is authorized to obtain the necessary information and to complete that information on this application.
9. The premium rates calculated for the employer are contingent, based upon the accuracy of the eligibility data submitted on employees and covered dependents to FDL by the employer. Any misstatements on employees' applications or failure to report new medical information prior to the employees' effective dates may result in a material change to the groups' coverage or premium rate as of the effective date of coverage;
10. The entire application for Group Insurance has been reviewed, and all answers contained herein are true and complete to the best of the employer's and/or authorized representative's knowledge and belief;
11. All employees applying for coverage are employees of the employer, receive salary or wages documented on state and/or federal payroll reports, and meet all eligibility requirements for coverage;
12. Being Actively at Work is a requirement for coverage. If an employee is not Actively at Work on the day his coverage would otherwise be effective, the effective date of his coverage will be the date of his return to Active Work. If an employee does not return to Active Work, he will not be covered. The terms "Actively at Work" and "Active Work" mean that an employee is performing the normal duties of his occupation; is working the number of hours specified in Sections III and/or IV; and satisfies any other conditions required by the applicable group Policy.
13. The requested coverage is not in effect unless and until this application is approved by FDL, that approval of coverage shall be evidenced by issuing insurance contracts and/or policies to the employer, or other notification that risk has been accepted, and an employee's coverage is not in effect unless and until the employee applies and is approved for coverage by FDL. The employer agrees that it will not collect any premium from employees requiring medical underwriting until notified of the approval of the employee's application for coverage.
14. It is understood and agreed that this application shall be made part of the Policy for which application is made. I have relied upon no oral or written representations that contradict item (12) above.

WARNING: Any person who knowingly and with intent to defraud any insurance company or other person files an application for insurance or statement of claim containing any materially false information, or conceals for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act which is a crime and may subject such person to criminal and civil penalties. (Not enforceable in Oregon and Virginia.)

(2) I am not aware of any health history of any applicant that does not appear on the enrollment form. (3) I have not completed any of the information contained in the enrollment form except with permission of the applicant and as noted by my initials on the enrollment form. (4) I have not signed any of the enrollment forms for a group representative or individual applicant. (5) I have fully explained to the Employer that an employee not actively at work on the policy effective date or their eligibility date will not be covered until such employee returns to active work full-time. (6) I have explained that no premium should be collected from or on behalf of any employee requiring medical underwriting prior to approval of the employee's application by the Insurer. (7) I have advised the group that a failure to provide complete and accurate information may result in a loss of coverage retroactive to the effective date of coverage or a re-rating of the group's premium retroactive to the effective date of coverage, and that coverage shall not be effective until FDL reviews and approves the application and the group receives a written notice and contract from FDL. (8) I am licensed in the state of this group for the types of insurance solicited.
